

Harborview Medical Center Financial Assistance – Hospital Provider Listing

All physicians and Advance Practice Professionals providing services at Harborview Medical Center are covered by the UW Medicine Financial Assistance policy.

The following are outside the Financial Assistance policy and have made the determination either to “Opt In” or “Opt Out”:

◆ Providers Groups/Provider Names “Opted In” to offer Financial Assistance under the UW Medicine policy

Patients and Guarantors should identify they are currently covered for Financial Assistance when checking in at the front desk or if a statement is received so the information can be requested, verified and applied to their account as appropriate. Please contact the Provider Group for more information.
