Contractor’s compensation for services rendered shall be based on the following rates or in accordance with the Attachment B – Budget.

Transfer of funds between line item budget categories must be approved by the Office of Crime Victims Advocacy (OCVA) program staff. A cumulative amount of these transfers exceeding ten (10) percent of the total program budget shall be subject to justification and negotiation between the Contractor and OCVA, including approval from the Contractor’s signature authority and the relevant OCVA Section Manager.

Payment will be on a reimbursement basis only.

Current travel rates may be accessed at https://ofm.wa.gov/sites/default/files/public/resources/travel/colormap.pdf

3. BILLING PROCEDURES AND PAYMENT

COMMERCE will pay Contractor upon acceptance of services provided and receipt of properly completed invoices, which shall be submitted to the Representative for COMMERCE at least quarterly, but not more often than monthly.

The invoices shall describe and document, to COMMERCE’s satisfaction, a description of the work performed, the progress of the project, and fees. The invoice shall include the Contract Number 19-31310-030. If expenses are invoiced, provide a detailed breakdown of each type.

Payment shall be considered timely if made by COMMERCE within thirty (30) calendar days after receipt of properly completed invoices. Payment shall be sent to the address designated by the Contractor.

COMMERCE may, in its sole discretion, terminate the Contract or withhold payments claimed by the Contractor for services rendered if the Contractor fails to satisfactorily comply with any term or condition of this Contract.

No payments in advance or in anticipation of services or supplies to be provided under this Agreement shall be made by COMMERCE.

Duplication of Billed Costs

The Contractor shall not bill COMMERCE for services performed under this Agreement, and COMMERCE shall not pay the Contractor, if the Contractor is entitled to payment or has been or will be paid by any other source, including grants, for that service.

Disallowed Costs

The Contractor is responsible for any audit exceptions or disallowed costs incurred by its own organization or that of its subcontractors.
4. **SUBCONTRACTOR DATA COLLECTION**

Contractor will submit reports, in a form and format to be provided by Commerce and at intervals as agreed by the parties, regarding work performed by subcontractors and the portion of Grant funds expended for work performed by subcontractors, including but not necessarily limited to minority-owned, woman-owned, and veteran-owned business subcontractors. "Subcontractors" shall mean subcontractors of any tier.

5. **INSURANCE**

The Contractor shall provide insurance coverage as set out in this section. The intent of the required insurance is to protect COMMERCE should there be any claims, suits, actions, costs, damages or expenses arising from any loss, or negligent or intentional act or omission of the Contractor or Subcontractor, or agents of either, while performing under the terms of this Agreement.

The insurance required shall be issued by an insurance company authorized to do business within the state of Washington. Except for Professional Liability or Errors and Omissions Insurance, the insurance shall name the state of Washington, its agents, officers, and employees as additional insureds under the insurance policy. All policies shall be primary to any other valid and collectable insurance. The Contractor shall instruct the insurers to give COMMERCE thirty (30) calendar days advance notice of any insurance cancellation, non-renewal or modification.

The Contractor shall submit to COMMERCE within fifteen (15) calendar days of the Agreement start date, a certificate of insurance which outlines the coverage and limits defined in this insurance section. During the term of the Agreement, the Contractor shall submit renewal certificates not less than thirty (30) calendar days prior to expiration of each policy required under this section.

The Contractor shall provide insurance coverage that shall be maintained in full force and effect during the term of this Agreement, as follows:

- **Commercial General Liability Insurance Policy.** Provide a Commercial General Liability Insurance Policy, including contractual liability, written on an occurrence basis, in adequate quantity to protect against legal liability arising out of Agreement activity but no less than $1,000,000 per occurrence. Self-Insured/Liability Pool or Self-Insured Risk Management Program – With prior approval from COMMERCE, the Contractor may provide the coverage above under a self-insured/liability pool or self-insured risk management program. In order to obtain permission from COMMERCE, the Contractor shall provide: (1) a description of its self-insurance program, and (2) a certificate and/or letter of coverage that outlines coverage limits and deductibles. All self-insured risk management programs or self-insured/liability pool financial reports must comply with Generally Accepted Accounting Principles (GAAP) and adhere to accounting standards promulgated by: 1) Governmental Accounting Standards Board (GASB), 2) Financial Accounting Standards Board (FASB), and 3) the Washington State Auditor's annual instructions for financial reporting. Contractors participating in joint risk pools shall maintain sufficient documentation to support the aggregate claim liability information reported on the balance sheet. The state of Washington, its agents, and employees need not be named as additional insured under a self-insured property/liability pool, if the pool is prohibited from naming third parties as additional insured.

Contractor shall provide annually to COMMERCE a summary of coverages and a letter of self-insurance, evidencing continued coverage under Contractor's self-insured/liability pool or self-insured risk management program. 9. CONFLICT OF INTEREST
Notwithstanding any determination by the Executive Ethics Board or other tribunal, the COMMERCE  
may, in its sole discretion, by written notice to the CONTRACTOR terminate this contract if it is found  
after due notice and examination by COMMERCE that there is a violation of the Ethics in Public  
Service Act, Chapters 42.52 RCW and 42.23 RCW; or any similar statute involving the  
CONTRACTOR in the procurement of, or performance under this contract.

Specific restrictions apply to contracting with current or former state employees pursuant to chapter

identify any person employed in any capacity by the state of Washington that worked with the

CONTRACTOR may be disqualified from further consideration for the award of a Grant.

In the event this contract is terminated as provided above, COMMERCE shall be entitled to pursue  
the same remedies against the CONTRACTOR as it could pursue in the event of a breach of the  
contract by the CONTRACTOR. The rights and remedies of COMMERCE provided for in this clause  
shall not be exclusive and are in addition to any other rights and remedies provided by law. The  
existence of facts upon which COMMERCE makes any determination under this clause shall be an  
issue and may be reviewed as provided in the "Disputes" clause of this contract.

10. COPYRIGHT
Unless otherwise provided, all Materials produced under this Contract shall be considered "works for  
hire" as defined by the U.S. Copyright Act and shall be owned by COMMERCE. COMMERCE shall  
be considered the author of such Materials. In the event the Materials are not considered "works for  
hire" under the U.S. Copyright laws, the Contractor hereby irrevocably assigns all right, title, and
interest in all Materials, including all intellectual property rights, moral rights, and rights of publicity to COMMERCE effective from the moment of creation of such Materials.

"Materials" means all items in any format and includes, but is not limited to, data, reports, documents, pamphlets, advertisements, books, magazines, surveys, studies, computer programs, films, tapes, and/or sound reproductions. "Ownership" includes the right to copyright, patent, register and the ability to transfer these rights.

For Materials that are delivered under the Contract, but that incorporate pre-existing materials not produced under the Contract, the Contractor hereby grants to COMMERCE a nonexclusive, royalty-free, irrevocable license (with rights to sublicense to others) in such Materials to translate, reproduce, distribute, prepare derivative works, publicly perform, and publicly display. The Contractor warrants and represents that the Contractor has all rights and permissions, including intellectual property rights, moral rights and rights of publicity, necessary to grant such a license to COMMERCE.

The Contractor shall exert all reasonable effort to advise COMMERCE, at the time of delivery of Materials furnished under this Contract, of all known or potential invasions of privacy contained therein and of any portion of such document which was not produced in the performance of this Contract. The Contractor shall provide COMMERCE with prompt written notice of each notice or claim of infringement received by the Contractor with respect to any Materials delivered under this Contract. COMMERCE shall have the right to modify or remove any restrictive markings placed upon the Materials by the Contractor.

11. DISPUTES

Except as otherwise provided in this Contract, when a dispute arises between the parties and it cannot be resolved by direct negotiation, either party may request a dispute hearing with the Director of COMMERCE, who may designate a neutral person to decide the dispute.

The request for a dispute hearing must:

- be in writing;
- state the disputed issues;
- state the relative positions of the parties;
- state the Contractor's name, address, and Contract number; and
- be mailed to the Director and the other party's (respondent's) Contract Representative within three (3) working days after the parties agree that they cannot resolve the dispute.

The respondent shall send a written answer to the requestor's statement to both the Director or the Director's designee and the requestor within five (5) working days.

The Director or designee shall review the written statements and reply in writing to both parties within ten (10) working days. The Director or designee may extend this period if necessary by notifying the parties.

The decision shall not be admissible in any succeeding judicial or quasi-judicial proceeding.

The parties agree that this dispute process shall precede any action in a judicial or quasi-judicial tribunal.

Nothing in this Contract shall be construed to limit the parties' choice of a mutually acceptable alternate dispute resolution (ADR) method in addition to the dispute hearing procedure outlined above.

12. DUPLICATE PAYMENT

COMMERCE shall not pay the Contractor, if the Contractor has charged or will charge the State of Washington or any other party under any other contract or agreement, for the same services or expenses.
13. GOVERNING LAW AND VENUE

This Contract shall be construed and interpreted in accordance with the laws of the state of Washington, and the venue of any action brought hereunder shall be in the Superior Court for Thurston County.

14. INDEMNIFICATION

To the fullest extent permitted by law, the Contractor shall indemnify, defend, and hold harmless the state of Washington, COMMERCE, agencies of the state and all officials, agents and employees of the state, from and against, all claims for injuries or death arising out of or resulting from the performance of the contract. "Claim" as used in this contract, means any financial loss, claim, suit, action, damage, or expense, including but not limited to attorney's fees, attributable for bodily injury, sickness, disease, or death, or injury to or the destruction of tangible property including loss of use resulting therefrom.

The Contractor's obligation to indemnify, defend, and hold harmless includes any claim by Contractor's agents, employees, representatives, or any subcontractor or its employees.

The Contractor expressly agrees to indemnify, defend, and hold harmless the State for any claim arising out of or incident to the Contractor's or any Subcontractor's performance or failure to perform the contract. The Contractor's obligation to indemnify, defend, and hold harmless the State shall not be eliminated or reduced by any actual or alleged concurrent negligence of State or its agents, agencies, employees and officials.

The Contractor waives its immunity under Title 51 RCW to the extent it is required to indemnify, defend and hold harmless the state and its agencies, officers, agents or employees.

15. INDEPENDENT CAPACITY OF THE CONTRACTOR

The parties intend that an independent contractor relationship will be created by this Contract. The Contractor and its employees or agents performing under this Contract are not employees or agents of the state of Washington or COMMERCE. The Contractor will not hold itself out as or claim to be an officer or employee of COMMERCE or of the state of Washington by reason hereof, nor will the Contractor make any claim of right, privilege or benefit which would accrue to such officer or employee under law. Conduct and control of the work will be solely with the Contractor.

16. INDUSTRIAL INSURANCE COVERAGE

The Contractor shall comply with all applicable provisions of Title 51 RCW, Industrial Insurance. If the Contractor fails to provide industrial insurance coverage or fails to pay premiums or penalties on behalf of its employees as may be required by law, COMMERCE may collect from the Contractor the full amount payable to the Industrial Insurance Accident Fund. COMMERCE may deduct the amount owed by the Contractor to the accident fund from the amount payable to the Contractor by COMMERCE under this Contract, and transmit the deducted amount to the Department of Labor and Industries, (L&I) Division of Insurance Services. This provision does not waive any of L&I's rights to collect from the Contractor.

17. LAWS

The Contractor shall comply with all applicable laws, ordinances, codes, regulations and policies of local, state, and federal governments, as now or hereafter amended.

18. LICENSING, ACCREDITATION AND REGISTRATION

The Contractor shall comply with all applicable local, state, and federal licensing, accreditation and registration requirements or standards necessary for the performance of this Contract.

19. LIMITATION OF AUTHORITY

Only the Authorized Representative or the Authorized Representative's delegate by writing (delegation to be made prior to action) shall have the express, implied, or apparent authority to alter, amend, modify, or waive any clause or condition of this Contract. Furthermore, any alteration,
GENERAL TERMS AND CONDITIONS
INTERAGENCY AGREEMENT
STATE FUNDS

amendment, modification, or waiver or any clause or condition of this contract is not effective or
binding unless made in writing and signed by the Agent.

20. NONCOMPLIANCE WITH NONDISCRIMINATION LAWS

During the performance of this Contract, the Contractor shall comply with all federal, state, and local
 nondiscrimination laws, regulations, and policies. In the event of the Contractor’s non-compliance or
 refusal to comply with any nondiscrimination law, regulation, or policy, this Contract may be rescinded,
canceled or terminated in whole or in part, and the Contractor may be declared ineligible for further
contracts with COMMERCE. The Contractor shall, however, be given a reasonable time in which to
cure this noncompliance. Any dispute may be resolved in accordance with the “Disputes” procedure
set forth herein.

21. PAY EQUITY

The Contractor agrees to ensure that “similarly employed” individuals in its workforce are
compensated as equals, consistent with the following:

a. Employees are “similarly employed” if the individuals work for the same employer, the
   performance of the job requires comparable skill, effort, and responsibility, and the jobs are
   performed under similar working conditions. Job titles alone are not determinative of whether
   employees are similarly employed;

b. Contractor may allow differentials in compensation for its workers if the differentials are
   based in good faith and on any of the following:

   (i) A seniority system; a merit system; a system that measures earnings by quantity or
       quality of production; a bona fide job-related factor or factors; or a bona fide regional
       difference in compensation levels.

   (ii) A bona fide job-related factor or factors may include, but not be limited to, education,
       training, or experience that is: Consistent with business necessity; not based on or
       derived from a gender-based differential; and accounts for the entire differential.

   (iii) A bona fide regional difference in compensation level must be: Consistent with
       business necessity; not based on or derived from a gender-based differential; and
       account for the entire differential.

This Contract may be terminated by the Department, if the Department or the Department of
Enterprise services determines that the Contractor is not in compliance with this provision.

22. POLITICAL ACTIVITIES

Political activity of Contractor employees and officers are limited by the State Campaign Finances
and Lobbying provisions of Chapter 42.17A RCW and the Federal Hatch Act, 5 USC 1501 - 1508.

No funds may be used for working for or against ballot measures or for or against the candidacy of
any person for public office.

23. PUBLICITY

The Contractor agrees not to publish or use any advertising or publicity materials in which the state of
Washington or COMMERCE’s name is mentioned, or language used from which the connection with
the state of Washington’s or COMMERCE’s name may reasonably be inferred or implied, without the
prior written consent of COMMERCE.

24. RECAPTURE

In the event that the Contractor fails to perform this Contract in accordance with state laws, federal
laws, and/or the provisions of this Contract, COMMERCE reserves the right to recapture funds in an
amount to compensate COMMERCE for the noncompliance in addition to any other remedies
available at law or in equity.
GENERAL TERMS AND CONDITIONS
INTERAGENCY AGREEMENT
STATE FUNDS

Repayment by the Contractor of funds under this recapture provision shall occur within the time period specified by COMMERCE. In the alternative, COMMERCE may recapture such funds from payments due under this Contract.

25. RECORDS MAINTENANCE

The Contractor shall maintain books, records, documents, data and other evidence relating to this contract and performance of the services described herein, including but not limited to accounting procedures and practices that sufficiently and properly reflect all direct and indirect costs of any nature expended in the performance of this contract.

The Contractor shall retain such records for a period of six years following the date of final payment. At no additional cost, these records, including materials generated under the contract, shall be subject at all reasonable times to inspection, review or audit by COMMERCE, personnel duly authorized by COMMERCE, the Office of the State Auditor, and federal and state officials so authorized by law, regulation or agreement.

If any litigation, claim or audit is started before the expiration of the six (6) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved.

26. RIGHT OF INSPECTION

The Contractor shall provide right of access to its facilities to COMMERCE, or any of its officers, or to any other authorized agent or official of the state of Washington or the federal government, at all reasonable times, in order to monitor and evaluate performance, compliance, and/or quality assurance under this contract.

27. SAVINGS

In the event funding from state, federal, or other sources is withdrawn, reduced, or limited in any way after the effective date of this Contract and prior to normal completion, COMMERCE may suspend or terminate the Contract under the "Termination for Convenience" clause, without the ten calendar day notice requirement. In lieu of termination, the Contract may be amended to reflect the new funding limitations and conditions.

28. SEVERABILITY

The provisions of this contract are intended to be severable. If any term or provision is illegal or invalid for any reason whatsoever, such illegality or invalidity shall not affect the validity of the remainder of the contract.

29. SITE SECURITY

While on COMMERCE premises, the Contractor, its agents, employees, or subcontractors shall conform in all respects with physical, fire or other security policies or regulations.

30. SUBCONTRACTING

The Contractor may only subcontract work contemplated under this Contract if it obtains the prior written approval of COMMERCE.

If COMMERCE approves subcontracting, the Contractor shall maintain written procedures related to subcontracting, as well as copies of all subcontracts and records related to subcontracts. For cause, COMMERCE in writing may: (a) require the Contractor to amend its subcontracting procedures as they relate to this Contract; (b) prohibit the Contractor from subcontracting with a particular person or entity; or (c) require the Contractor to rescind or amend a subcontract.

Every subcontract shall bind the Subcontractor to follow all applicable terms of this Contract. The Contractor is responsible to COMMERCE if the Subcontractor fails to comply with any applicable term or condition of this Contract. The Contractor shall appropriately monitor the activities of the Subcontractor to assure fiscal conditions of this Contract. In no event shall the existence of a subcontract operate to release or reduce the liability of the Contractor to COMMERCE for any breach in the performance of the Contractor's duties.
GENERAL TERMS AND CONDITIONS
INTERAGENCY AGREEMENT
STATE FUNDS

Every subcontract shall include a term that COMMERCE and the State of Washington are not liable for claims or damages arising from a Subcontractor's performance of the subcontract.

31. SURVIVAL

The terms, conditions, and warranties contained in this Contract that by their sense and context are intended to survive the completion of the performance, cancellation or termination of this Contract shall so survive.

In the event of termination or suspension, the Contractor shall be liable for damages as authorized by law including, but not limited to, any cost difference between the original contract and the replacement or cover contract and all administrative costs directly related to the replacement contract, e.g., cost of the competitive bidding, mailing, advertising and staff time.

COMMERCE reserves the right to suspend all or part of the contract, withhold further payments, or prohibit the Contractor from incurring additional obligations of funds during investigation of the alleged compliance breach and pending corrective action by the Contractor or a decision by COMMERCE to terminate the contract. A termination shall be deemed a "Termination for Convenience" if it is determined that the Contractor: (1) was not in default; or (2) failure to perform was outside of his or her control, fault or negligence.

The rights and remedies of COMMERCE provided in this contract are not exclusive and are, in addition to any other rights and remedies, provided by law.

34. TERMINATION FOR CONVENIENCE

Except as otherwise provided in this Contract, COMMERCE may, by ten (10) business days written notice, beginning on the second day after the mailing, terminate this Contract, in whole or in part. 35. TERMINATION PROCEDURES

Upon termination of this contract, COMMERCE, in addition to any other rights provided in this contract, may require the Contractor to deliver to COMMERCE any property specifically produced or acquired for the performance of such part of this contract as has been terminated. The provisions of the "Treatment of Assets" clause shall apply in such property transfer.

COMMERCE shall pay to the Contractor the agreed upon price, if separately stated, for completed work and services accepted by COMMERCE, and the amount agreed upon by the Contractor and COMMERCE for (i) completed work and services for which no separate price is stated, (ii) partially completed work and services, (iii) other property or services that are accepted by COMMERCE, and (iv) the protection and preservation of property, unless the termination is for default, in which case the Authorized Representative shall determine the extent of the liability of COMMERCE. Failure to agree with such determination shall be a dispute within the meaning of the "Disputes" clause of this contract. COMMERCE may withhold from any amounts due the Contractor such sum as the Authorized Representative determines to be necessary to protect COMMERCE against potential loss or liability.
