Thank you for your interest in the University of Washington Medical Center Kidney Transplant Program.

To evaluate your patient as a candidate for kidney transplantation, please send the following information:

- Patient Demographics (Name, DOB, Contact information)
- Referring Physician Name and NPI number
- Patient H&P
- Cardiac Testing (if available)
- Recent Labs
- Patient Insurance information (Insurer, Group #, ID #)
- For dialysis patients, please include Medicare form 2728 (if available)

This form is a guideline for proper referral documentation. It is intended to serve only as an outline and does not need to be included in the actual referral. Additional information, visit: www.uwmedicine.org/services/kidney

Please send items from the below checklist in order to expedite appointment scheduling:

**CONSULTATION REQUEST FORM**
- Patient Demographics
- Referral Reason

**PROGRESS NOTES, including:**
- History & Physical

**INSURANCE INFORMATION**
- Insurance Name/Type
- Subscriber Name/SSN
- Policy/Group #
- Benefits Phone #
